

# OWN IT: BUILDING BLACK WEALTH PARTICIPATING BROKER AUTHORIZATION

Broker firms ('Brokers') may complete and return a scanned copy of this form with the signature of an authorized representative to become a Participating Real Estate Broker ('Participating Broker') with the OWN IT: Building Black Wealth program and down payment fund. By approving and agreeing to assist with the contribution process on behalf of agents, firms become a Participating Broker and will be listed on the OWN IT website.

## BROKER GUIDELINES

Broker agrees to:

- Make it possible for Agents to become REALTOR Ambassadors of the OWN IT program by becoming a Participating Broker. This allows Agents to contribute a portion or a percentage of their net commission earnings on every closing through their Broker.
- Cut a check, made out to 'One City Schools Foundation', for the agreed upon contribution amount, decided by the agent, and mail it to One City Schools / OWN IT, on behalf of the agent, to be deposited in the OWN IT Downpayment Fund as a tax deduction. Checks can be mailed after every closing or a total amount can be mailed quarterly.

By signing, the Broker agrees to the terms of the program's Broker Guidelines above, and will be named a Participating Broker of the OWN IT: Building Black Wealth program.
